

# BROWNFIELDS 2023

SUSTAINABLE COMMUNITIES START HERE

DETROIT, MICHIGAN | AUGUST 8–11, 2023

## National Brownfields Training Conference

The National Brownfields Training Conference brings together stakeholders from government, industry, and the community to share knowledge and best practices on the remediation and redevelopment of contaminated properties, known as **brownfields**.

The conference features a range of educational sessions, workshops, and networking events that cover topics such as funding and grant management, liability, community engagement, and the cleanup and revitalization of brownfields across the United States.

In addition to the incredible learning opportunities, the conference also offers unparalleled networking opportunities with other like-minded professionals. Connect with peers from across the country and forge new relationships that could lead to future collaborations and projects.

Join us from **August 8-11, 2023 in Detroit, Michigan**, a city with a rich cultural history and a vibrant arts and entertainment scene. Explore all that this great city has to offer!
